

**Some of our favorite books
we shared this time are:**

Children achieve a lot before they enter school.
Ask your child's doctor or child care provider about
developmental screenings to support your child's success!

**Share books together!
Read for fun!
Be ready for school!**

Did you know?

If your child turns 5 before September 1, they can register for kindergarten!

Get your student ready by registering for kindergarten before the end of this school year. **Don't wait!** The sooner you register, the better for your child.

Call 211 to find the school nearest you.

Reading aloud to your child and sharing books at home are great ways to get your child ready for school.

Can you read 1,000 books before kindergarten?

Circle how many books you have read already.

100 200 300 400 500
600 700 800 900 1,000

Color in a circle each time you read a book together.

If you read the same book 100 times, it counts as 100 books!
